STANLEY Adds Three New Utility Knives to Its Portfolio

Dependable, Any Way You Cut It.™

TOWSON, MD (February 1, 2021) – STANLEY announced today three new additions to the brand's portfolio of innovative cutting solutions. The latest collection from STANLEY®, a global leader in the hand tools market, features a versatile Utility Knife with 10-Blade Storage (STHT10479) and a Control-Grip™ Utility Knife (STHT10432). These knives are ideal for heavy duty cutting a variety of building materials, from drywall and shingles to flooring and packaging.

The new line of utility knives is the latest innovation to join the brand's rich legacy of dependable tools, suitable for professional users across all trades. The latest offering by STANLEY provides razor-sharp performance, jobsite durability, comfortable use and easy blade change.

Additional features and benefits of each model include:

STANLEY® CONTROL-GRIP™ RETRACTABLE UTILITY KNIFE (STHT10432):

- Optimized shape and size for precise applications.
- Recessed blade slider and two-step blade release process engineered for safe blade change
- Offset knife nose to easily guide blade change.
- A convenient belt clip for portability and tether loop for lanyard attachments.

STANLEY® UTILITY KNIFE WITH 10-BLADE STORAGE (STHT10479):

- Slip resistant, bi-material handle.
- Offset knife nose to easily guide blade change.
- Curved design for challenging cuts.
- Integrated 10-blade storage in the handle.

"STANLEY has been a well-known leader in the utility knife category since the early 1900's. We take great pride in creating a legacy of tools known for their reliability." said Michelle Knapp, Product Manager at STANLEY Tools. "The new line of STANLEY® utility knives has something for every customer, ensuring precise cuts no matter the job," added Knapp.

The full lineup of STANLEY® utility knives includes:
